THE J. WILLIAM FULBRIGHT FOREIGN SCHOLARSHIP BOARD

---

Office of the Chair

Dear Fulbrighter:

On behalf of the J. William Fulbright Foreign Scholarship Board (FSB), it gives me great pleasure to congratulate you on your selection for a Fulbright scholar award to the United States. The FSB is the presidentially appointed twelve-member Board that is responsible for establishing worldwide policies for the Program and for selection of Fulbright recipients. Your grant is made possible through funds that are appropriated annually by the U.S. Congress and, in many cases, by contributions from partner countries and/or the private sector.

As a Fulbrighter, you will join the ranks of more than 265,000 alumni of the program. Fulbright alumni have become heads of state, judges, ambassadors, cabinet ministers, CEOs, university presidents, journalists, artists, professors and teachers. They have been awarded thirty-five Nobel Prizes.

Developing international understanding requires a commitment on the part of Fulbright grantees to establish open communication and long-term cooperative relationships. In that way, Fulbrighters enrich the educational, political, economic, social and cultural lives of countries around the world. It is our expectation that you too will become involved in the community while on your Fulbright exchange. In so doing you will demonstrate the qualities of service, excellence and leadership that have been the hallmarks of this program for more than fifty years. As a representative of your country in the United States, you will help fulfill the principal purpose of the Fulbright Program, which is to increase mutual understanding between the people of the United States and the people of your country.

The Bureau of Educational and Cultural Affairs of the United States Department of State, which oversees the operations of Fulbright Programs throughout the world, joins the Board in congratulating you. If you have any questions, please contact your program coordinator at the Council for International Exchange of Scholars.

We hope that your Fulbright experience will be highly rewarding professionally and personally, and that you will share the knowledge you gain as a Fulbrighter with many others throughout your life.

Sincerely,

A handwritten signature in dark ink, appearing to read "Steven Uhlfelder".
